

# CREATING IBM CLOUD SERVICE

Date	31 OCTOBER 2022
Team ID	PNT2022TMID03633
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud Dashboard interface. At the top, a browser window shows the URL 'cloud.ibm.com' and several open tabs including 'Your IBM Cloud verification code', 'Chat with mentor', 'Obtain an IBM Cloud Feature Co...', and 'IBM Cloud'. The dashboard header includes a 'Skip to content' link, a search bar, and navigation links for 'Catalog', 'Manage', and the user profile 'MOHANPRASATH A's A...'. A 'Create resource' button is prominently displayed. The main content area is titled 'Dashboard' and features a 'For you' section with six recommended actions: 'Build' (5 min), 'Monitor your resources' (5 min), 'Db2' (2 min), 'Build a virtual machine' (7 min), 'Get Started with Watson Studio' (2 hr), and 'Use Streaming Analytics' (2 min). Below this, there are four sections: 'News' (with links to IBM Cloud Pak for Network Automation Version 2.4, prerequisites for certifications, and a tech now event), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). A 'View all' link is present for each of these sections. The URL bar at the bottom shows 'https://cloud.ibm.com/#main-content'.

IBM Cloud Account settings page. The page displays account details for MOHANPRASATH A's Account (ID: 7d67ffa748fc4c4ab148d226ba8c25c4) and the Account Type (Trial (Free)). It shows 395 days remaining in the Trial period. The page offers options to upgrade the account, including Pay-As-You-Go and Subscription, and provides a link to add a credit card. The left sidebar lists various account management options, and the bottom status bar shows the date and time (1:57 PM, 10/31/2022).
